May 22, 1952

My dear Bertha Lyons:

This is just a little note to let you know how much Betty and I enjoyed being present on Sunday and especially that we had the opportunity to actually meet you.

Frances Maule, Rodys MRE, Betty and I had dinner together that evening and our entire conversation was of the ceremonies. (And your graciousness)

Thank you, again, for remembering me. My very kind thoughts to you.
Cordially,
Ruth Roseear.
